

Wilcox talking points.

I would use the time line attached to demonstrate our actions at the site to date.

2014 Listing of the Site on the NPL

Fact sheet, meeting, site visit, and the following actions:

Capping of the abandoned drinking water well near the Church.

Fencing of the residential oil spots in the rear of the property.

Current testing in response to the lead level report in a child.

Enforcement process.

ODEQ quarterly drinking water sampling
